WHAT'S ON THE EMPORIUM SHELVES?

You can still faintly see 'We support the producers' painted above the verandah as you exit Cliffy's main door - this philosophy has always been at the heart of Cliffy's for over 25 years. Emporium shelves brim with local delights, handmade crafts, & specialty goods.

We're in Spa Country, so try the **Spring Creek Mineral Water**. It's sourced & bottled in Daylesford & Macedon Ranges. Local open-range eggs from **Honest Eggs Co.** who keep less than 50 chooks per average size AFL ground (<30 chooks per hectare)! Our chickens wear FitChix step counters. So we know exactly how open range they truly are. Don't believe us? Ask a staff member to show you the journey your egg has been on.

Ever tried **Billy Tea**? Well our take on it anyway – a blend of lapsang souchang, lemon myrtle, eucalyptus & black ceylon. Smoky, soul-warming, enjoy in-house or take home.

Drinking chocolate blends, marshmallows, & chai in gorgeous packaging from **Grounded Pleasures** in Ballarat. And of course, everyones favourite gourmet soft caramel from **Caramelicious** - Gourmet Traveller called it "love at first spoon".

Natasha Morgan, a local icon, brings her artisanal, organic syrups to our collection. Made with passion from home-grown, chemical-free produce, these syrups capture the essence of the seasons.

A pressie for your pooch? Thanks to our friends at **Bones & Whiskers**, we've got them sorted too! The cutest little hot dogs, party pies, pupsicles & snags in bread. Available at the counter.

For those that like it spicy, there's Nonna-approved chilli oil (mild, hot or extra hot!) from small Victorian producer **Bippi** & family favourite '**Bum Hummer**' pickled onions - amazing value with 1,000 farts per jar.

Most recently a nostalgic relish has returned to the shelves after a decade-long search revealed it was made just down the road! **Red Kelpie Relish** is the most delicious relish & if you combine half a jar with a scoop of peanut butter & some coconut milk you'll get an easy tasty satay.

Around our store, you'll also find products & wares from outside our little corner of the world. These have been chosen with great care for their quality, uniqueness & to support rare trades - like brooms from **Tumut Broom Factory**, the last original millet broom factory in Australia.
